Local Government Responses
SB184 / BDR 40 - 536

City/County: Carson City Approved by: Sheri Russell-Benabou, Chief Financial Officer Comment: Carson City food establishment inspections take about 40 hours, when we have to go through the process of non-compliance, and we anticipate only one each year. Sterile gloves which are latex free would cost the Clinic and Sheriff's Departments an additional \$640 annually. Of course we are unable to estimate the lost sales tax revenue should an establishment have to be shut down due this violation.
