| City/County: <b>City of West Wendover</b><br>Approved by: Kenneth R. Quirk, Court Judge<br>Comment: Determining the precise fiscal impact of this bill on our court is highly challenging due to the numerous variables involved, including mandated payment plans, debt forgiveness, and restrictions on collections. Without concrete data or a clear framework for implementation, any estimate would be speculative at best, rather than an informed fiscal projection. In short, it is not possible without having a team of forensic accountants to predict exactly how this bill will impact our court. |            |            |            |                |

 Approved by: Josh Foli, Comptroller  
 Comment: There will be a fiscal cost to implement this bill. The majority of the cost will be staff time, which will depend on volume. It may necessitate the hiring of another court clerk, which would cost approximately \$80,000 per year. However, it really depends on the volume, which we don't know.
