IN CONJUNCTION WITH THE DAILY HISTORIES

## **HOW TO USE THE DAILY HISTORY AND THE HISTORY VOLUME**

On each weekday the Nevada Legislature is in Session and on such other days that the Senate is convened, a cumulative daily history of those actions is released to the Internet, and is available on the Nevada Legislature's Website.

At any time during the Session, the location of a bill or resolution and the latest information on the current step of enactment may be obtained by accessing the Nevada Legislature's Website at [www.leg.state.nv.us](http://www.leg.state.nv.us) or the Nevada Electronic Legislative Information System at NELIS.

The history volumes contain: the names of the Officers of the Nevada State Senate; the Orders of Business; the names, district numbers and addresses of members; Senate Session staff names, position titles and residences; names and members of Standing Committees; Senate Leadership designations; and a diagram of the Senate Chamber seating arrangement. Additional information may be obtained from the Nevada Senate's Website and through the offices of the Legal and Research Divisions of the Legislative Counsel Bureau.

The daily histories are cumulative. Every two weeks, a history volume is released to the Nevada Legislature's Website. Senate history volumes are also cumulative, and they contain all the legislative action on bills and resolutions up to and including the date on the volume, which is numbered consecutively with Roman numerals. Each successive volume supersedes the previous version.
